## Donation of Publicly Traded Shares to St. Paul's Foundation of Vancouver

Thank you for your interest in donating publicly traded shares to St. Paul's Foundation of Vancouver (CRA Charitable Registration No. 11925 7939 RR0001). A gift of shares is a tax effective opportunity to transform assets into immediate and significant support for the people and families served by Providence Health Care ("PHC") through its acute care hospitals, long-term care centres, and other facilities, including St. Paul's Hospital. By donating and transferring shares to a Canadian registered charity like St. Paul's Foundation, you eliminate the capital gains tax that becomes payable if you were to sell those shares on the market.

Transferring shares is very easy to do. Simply follow these directions:

- 1. Advise your broker or investment advisor of your wish to make a gift of shares to St. Paul's Foundation of Vancouver and complete the attached transfer form (with your broker's assistance).
- 2. Your broker must deliver the transfer form to us and the shares to our Custodian, Scotiatrust.

For account of: St. Paul's Foundation of Vancouver

Account Number: 78013728-19

- 3. Your broker must deliver the transfer form to our office, to the attention of Irene Wong via Email: SPFSharesDonation@providencehealth.bc.ca or fax: 604-806-9105. (If we do not receive a copy of the completed transfer form we are unable to instruct our Custodian to accept the transfer of shares and this will delay the completion of the transaction and the issuance of an official tax receipt.)
- 4. Upon receipt of the transferred shares to the Foundation's Scotiatrust account, we will issue an official receipt to you, for income tax purposes, for the market closing price on the day the shares are received in our Scotiatrust account.
- 5. It is the Foundation's policy that shares, once received by the Foundation, will be sold for cash to fulfill the donor's philanthropic wishes.

Thank you again for making a difference in the lives of patients, and families, in BC. If you have any questions or need additional information, please do not hesitate to call either:
